

**REMARKS****In the Specification****Detailed Action Item 1. Claims:**

The Examiner is correct in observing that Claim 1 was not intended to be included in this application. Only Claims 14 - 25 represent the structure submitted with this Divisional Patent Application.

**Detailed Action Item 2. Priority:**

The phrase "now Patent No. 6,610,592." has been added to the specification as the parent has been issued.

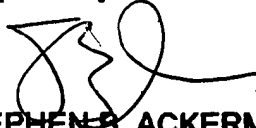

**Allowable Subject Material**

The applicants agree with the Examiner Tu-Tu Ho that the prior art of record fails to teach or render obvious the instant structure as claimed in Claims 14 and 20.

**Conclusion**

The application is believed to be in condition for allowance. Allowance of the subject Patent application is therefore respectfully requested. It is requested that the examiner telephone the undersigned attorney or George Saile at (845) 452-5863 should there be any need to discuss this Application.

Respectfully submitted,

STEPHEN B. ACKERMAN, REG. NO. 37,761
